EXECUTIVE SUMMARY

The discussion revolves around Speaker 3 not bringing food as initially expected, but it's later revealed that there's extra food due to both Speaker 3 and Palak bringing lunch. They also coordinate their availability and future plans.

KEY DISCUSSION POINTS

- It was discovered that both Speaker 3 and Palak brought food, leading to an excess of approximately 9 items (4 rotis and 5 parathas) intended for the attendees.
- Speaker 2 expressed difficulty in distributing the excess food among the available people, noting that one person cannot consume all of it and that selecting recipients from multiple options is challenging.

DECISIONS TAKEN

1. Speaker 3 is not going.
2. Speaker 3 is not leaving immediately.
3. Speaker 2 will call in half an hour.
4. The extra food (4 rotis, 5 parathas) is for Speaker 2's group.
5. Speaker 3 will take lunch.
6. The food containers need to be taken back.

ACTION ITEMS

Task	Owner	Due Date	Status
Call Speaker 3	Speaker 2	N/A	open
Figure out who will eat the extra food	Speaker 2	in 10 minutes	open

NEXT STEPS

- Speaker 2 will call Speaker 3.
- Speaker 2 will figure out who will eat the extra food by in 10 minutes.
