EXECUTIVE SUMMARY

Speaker 3 and Palak unexpectedly brought extra food, totaling 9 rotis/parathas, leading to a discussion about managing the surplus lunch and their departure plans.

KEY DISCUSSION POINTS

- Current location and availability of Speaker 3.
- Discovery of extra food (9 rotis/parathas) brought by both Speaker 3 and Palak, leading to an excess.
- Logistical challenge of managing the excess food, as Speaker 2 cannot consume all of it alone and needs to figure out distribution among others.

DECISIONS TAKEN

1. Speaker 2 will call Speaker 3 in about half an hour.
2. Speaker 2 will figure out the situation (regarding the extra food and who will eat it) in 10 minutes.
