EXECUTIVE SUMMARY

Speaker 2 initially inquires about Speaker 3's whereabouts and availability, with Speaker 3 mentioning being on the fourth floor and having completed their work. The conversation then shifts to a significant amount of extra food (lunch) that was brought because both Speaker 3 and Palak mistakenly thought they were the only ones bringing it. They clarify the quantity of rotis and parathas. Following this, Speaker 2 mentions needing to "figure out" something in 10 minutes and expresses difficulty in selecting three out of six available "saadhan" (resources/options) for a task. Speaker 3 also briefly mentions an additional "procedure on stone."
