EXECUTIVE SUMMARY

Rohan initiated the discussion by stating the need for users to receive automatic meeting summaries via email. Kunal confirmed the technical feasibility of this feature. Sneha inquired about the ability for users to customize the email template, which Rohan affirmed would be useful. Simran suggested that summaries should also include action items, a point Rohan strongly agreed with. Kunal proposed attaching the meeting transcript as a PDF, which Sneha supported as a way to improve usability. Simran then asked about multilingual support, to which Rohan.
