Date	2026-07-03
Duration	7 min
Participants / Attendees	Rohan, Simran, Kunal, Sneha
Prepared By	MeetScribe

EXECUTIVE SUMMARY

The meeting focused on defining requirements for a system to automatically email meeting summaries to users. Rohan initiated the discussion by stating the need for automatic email delivery of summaries, which Kunal confirmed as technically possible. Sneha inquired about email template customization, which Rohan confirmed as a useful feature. Simran proposed including action items in summaries, which Rohan approved. Kunal suggested attaching the transcript as a PDF, a feature Sneha agreed would improve usability. Simran then asked about multilingual support, which Rohan decided was not.
