Duration	7 min
Participants / Attendees	Rohan, Simran, Kunal, Sneha
Prepared By	MeetScribe

EXECUTIVE SUMMARY

Rohan initiated the discussion by stating the need for automatic email delivery of meeting summaries to users. Kunal confirmed the technical feasibility of this feature. Sneha inquired about the ability for users to customize the email template, which Rohan affirmed as a useful feature. Simran suggested including action items in the summaries, a proposal Rohan strongly supported. Kunal then proposed attaching the full transcript as a PDF, which Sneha agreed would improve usability. Simran raised the question of multilingual support, to which Rohan responded that.
