EXECUTIVE SUMMARY

Hello everyone, my name is Tom, and today, I have with me two of my awesome colleagues, and we can start by getting them introduced. Hey everyone, this is Sumit and I help in articulating the value provided by our open platform and the plethora of use cases that can be supported. Hi everyone, my name is Will and I talk about the how how do we use the APIs, how do we integrate them, how do we deploy them go live in our production.
